SAN MATEO COUNTY LARGE ANIMAL EVACUATION GROUP

About

The San Mateo County Large Animal Evacuation Group's (SMC LAEG) mission is to provide evacuation services and shelter for large/farm animals in the event of disaster, such as wildfire or flood. These efforts include: evacuation of animals, caring for the animals in holding areas, and facilitating the return of animals to their owners.

Prepare (Animal Owners)

Advance planning and **Being your own Emergency Response Team** helps make all the difference in a large animal evacuation event. We provide detailed guidance to assist you at **smclaeg.org/preparation** and are also available for community preparedness and site inspections upon request.
